### **David Lyman D.L.'s Ideal Woman**

**D**avid Lyman, while choosing a title for his talk that might have been a bit risqué for South Wind, in fact shared with us his characteristics of his Ideal Woman which most of us would agree would make for a delightful companion:

Loving, caring, compassionate, forgiving, sweet, devoted, kind, gentle, innocent, compatible, touchable and touches, charming, thinks of others first, appreciative, funny or witty with a sense of humor and of the absurd, can laugh at herself, extroverted, yet quiet, positive outlook, warm genuine smile, even tempered, firm in her beliefs but not unduly argumentative. She must have integrity, honor, loyalty, respect and be a nice and interesting person with not a mean or evil or selfish bone or thought in her body.

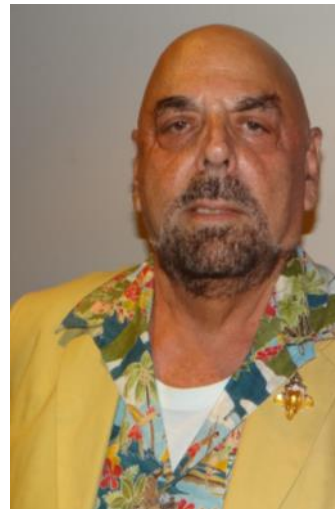

Glamorous, elegant, fashionable but not with name brands, a lady but not afraid to get her fingernails dirty, intriguing, likable, funny, intelligent, responsible, sensible, organized, talented, brave, ethical, innovative, honest, trustworthy, loyal, respectful, reliable, self-confident, dependable, steady, self-reliant, tolerant, not class conscious, humble when appropriate, not a gossip, good sense for business and wise investments, trustworthy with money – others as well as her own. She must know how to survive and be a survivor. Intelligent, educated, cultured, learned, wise, knowledgeable with a wide variety

of interests, talents and capabilities, well read, can communicate at various levels and have a keen sense of and interest in history and things historical, an appreciation of justice and fair play. She should be contented, happy with herself, healthy mentally, emotionally and physically. She should be full of vim, vigor and vitality.

A thinker as well as a doer, conversationalist, sensitive and aware, gracious and respectful of and to others. She has to like animals and be patient and comfortable with them. Be a good judge of character, yet comfortable with strangers. A non-smoker but an occasional social drinker of wine and appreciative of good food and beverages yet diet conscious to avoid excesses.

Loves reading, bookstores, music and dance – all kinds; politically, socially and economically aware but not extremist, enlightened, carefree. Persuasive and believable before crowds, capable and self-confident and can think and act on her feet. A capable storyteller and raconteur. Eager to learn.

Artistic and likes carpets and Asian tex-

tiles plus appreciative of other art forms, interested in alternative medicines and lifestyles. Accepting of what she does not know or understand always keeping an open and inquisitive mind.

Adventuresome, likes gardens, forests and outdoors, non-smoker, swimmer, scuba diver, good traveler and photographer, seeks out exotic and remote locations, peoples and cultures; be an environmentalist, conservationist, courageous, strong yet gentle, reliable and

capable automotive and motorcycle driver.

Enjoys science fiction and science fact. Good sense of direction, pragmatic, can fix things, understanding of mechanical and electrical items.

Prepared to look after me for the rest of my days and vice versa, be my partner, my companion, my best friend and soul mate and I hers; run my household, be a charming, gracious and capable hostess and entertainer of friends and guests; and advise on my interests and plans. Have the sense and ability to interest and involve me in her own likes and dislikes, in her plans and dreams.
