Richard Jones SeaDream 2 Debut in Asia

Richard Jones paid his second visit to the club and brought us up to date on the SeaDream plans for the coming year and in particular, in South East Asia.

Stressing that, "It's yachting, not cruising, enjoy the difference" Richard reminded us as to how SeaDream Yacht Club is different from big ship cruising.

With a philosophy of casual perfection running through everything they do and with only 112 guests pampered by an award-winning crew of 95, the level of attention and service each guest enjoys makes yachting aboard either one of their mega-yachts feel as if you are on your own private yacht.

He then spent time describing their plans from October this year through April 2014, as SeaDream II will visit Asia's most striking locations, from Hong Kong and Singapore, to the undisturbed charm and tranquility of Myanmar and New Guinea.

Richard also talked about how the firms two yachts again achieved the top two ratings in the

'Boutique Ships' category (50 – 250 passengers).

The Berlitz Guide, now in its 28th year, is researched and written by Douglas Ward, the world's top authority on cruising and cruise ships. Having reviewed 284 cruise ships, Ward has named the top-rating ships for 2013, with the ten most highly rated being officially 'small' or 'boutique'.

Since SeaDream's founding in 2001, it has been honored annually by the Berlitz Guide, SeaDream I and SeaDream II having been described as "Ultimately Exclusive Boutique Vessels", and named as the top in its Five Star Club, listing them as the "Crème de La Crème".

And in closing and when asked, Richard, as a fellow Rotarian in the Patong Club, has offered anyone interested in joining one of their cruises, a Rotarian discount.
