Classification Interviews Rtn Henny by PP Wanit / PE Mike by PP John

fun with Rtn Henny's social life, the fact he is very busy with many different things and his impressive loss of weight over the past year than talking about work or things in Rotary. Rtn Henny was given the opportunity to promote his business, but declined to do so.

okay at this time. PP John also gave PE Michael time to talk about his home life, which includes a somewhat tough, but loving, Thai-Chinese wife and a 2 and half year old daughter who shares PE Michaels uni-brow look. Good fun, anyone at the meeting gained a great insight into two or our members, Rtn Henny, still quite new to the club and PE Michael, new to the idea that next year he will be President.

Two different Rotarians, PE Michael and Rtn Henny, interviewed by two very different Past Presidents, PP Wanit and PP John, resulted in two very different interviews that proved to be both amusing and informative. Starting off, PP Wanit immediately asked Rtn Henny his classification, perhaps the first time in the annals of Bangkok South that this question was asked first, in fact, even asked is an unusual event. PP Wanit seemed to have more

In a somewhat laid-back manner, PP Wanit had Rtn Henny quite relaxed by the end of his classification interview. This was, of course, as we all expected, quite different from the 'interview' PP John conducted with PE Michael. More an investigative report, some of PP John's points allowed PE Michael to mention (promote) his two books, which is

Official Inauguration Trip to Lopburi Wednesday, 23 October (National Holiday)

On this opportunity for club fellowship and to see how our club works with other clubs around Thailand and the world, join this heart-warming day trip and be part of the festivities in handing over 22 Saori Weaving Looms to autistic schools in Lopburi and nearby provinces.

Going up on Wednesday, 23 October, a national holiday, we will be taking along our partner from District 2670 Japan, Rtn Hidemi Shinoda who will join us on the trip to Lopburi.

He will arrive at Bangkok Airport on Wednesday, 23 October 2013, at 04:20 am and to make his arrival day especially entertaining, we will be hosting a welcome dinner for him on the same evening at around 19:00, perhaps at the Shangri-La Seafood Restaurant on Thaniya Road.

The project itself started for us when Rotary Club of Pranarai Lopburi, a Bangkok South only sister club in Thailand, approached us for assistance on this Matching Grant Project costing US\$ 18,051.

Bangkok South contributed US\$500 towards the project, and, obtained US\$3,000 contribution from RC Surfers Paradise Australia (a Bangkok South sister club) and another US\$ 4,000 DDF contribution from District 2670 Japan (a Bangkok South major supporter).

Bangkok South played a vital role in getting the funding for this MG Project even though we are not the Host Partner, which is in fact RC Pranarai Lopburi, yet another Bangkok South sister

club in Thailand.

These 22 Saori Weaving Looms will be donated to Lopburi Panyanukul School in Lopburi Province, Nakornsawan Panyanukul School in Nakornsawan Province, Autistic Schools in: Nonthaburi Province, Uthai Thani Province, Chainat Province, Nakornnayok Province and Pathumthani Province.

Any Bangkok South members who would like to join the Official Inauguration Ceremony in Lopburi OR the Welcome Dinner at Shangri-La Seafood Restaurant, please call Khun Khob or PP Krit.
