### The Marvelous Differences of Our Sameness Dr Randy Harvey

Public speaking terrifies most people. They have no idea how to identify their most important messages, the ones that really matter.

On Friday, Dr Randy, as the 2004 World Champion of Public Speaking for Toastmasters International and heir to five generations of storytellers, led us into a world he knows, showing us what it means to be an inspirational speaker and at the same time respecting our club's Rotary and somewhat down-to-earth reputation.

The key to his message was to think about how we can become 'immortal' by the influence and impact we leave on the people we meet.

Using teachers as an example, he was able to demonstrate what he meant by coming

'immortal.'

In asking us to remember our teachers, he suggested that the teacher we remember as being the best, has had a huge and 'immortal' impact on our lives.

Unfortunately he added, so has the worst teacher we had, but for a very different reason. The tragedy he said is for those who we do not remember, who have had no impact on us or others as they will not become immortal.

During his talk Randy, wound stories from his travels around the world to present a message about how the more he travels, the more he sees people the same.

From an amazing story about

being taken far into the Saudi dessert, to how we won his title, Dr Randy was clear that the people he sees sitting around a table at a coffee shop in Oregon, joking and gossiping with each other, value the same things as any group anywhere in the world. In closing, he suggested that we all want the same thing, "to love and to be loved."

# Weekly Raffle Reaches 4,000,000 Baht

**Rtn Dougie (Fund Raising) PP Wanit and Rtn Vinai (Cosmos) pose with a commemorative banner celebrating reaching the 4,000,000-Baht milestone.**

**S**tarted on 15 May 2000 with a 58-bottle donation by Chivas, our weekly charity has become a tradition that almost every member in the club has embraced.

Supported by PP Wanit as Witch's, PP Niti as Nicolas and AG Andrew as O'Reillys, the weekly raffle has seen a continuous draw stretching over 14 years and raising 4M Baht or at today's exchange rate just over **123,000 USD**.

However, as one can see, the bulk of the success can be directly attributed to Rtn Vinai and his two stints as supporter, the first for 42 weeks and the current sponsorship stretching over 303 weeks or almost six (6) years.

For six years, he has come almost every week with a bottle of whiskey in one arm and our Cosmos 'student' on the other.

Congratulations to all our supporters and to those who have and continue to give 100 Baht each week, as you can see, it does add up - 4,000,000 Baht is a lot of charity.
